I understand that I may revoke this Authorization by sending written notification to the Practice’s Privacy Officer at the address set forth below; provided, however, that my notice to revoke this Authorization will not apply to actions taken in reliance on this Authorization prior to the date my written notice is received by the Practice’s Privacy Officer.

Any such Information disclosure made by the Practice may be made available to the general public through the posting of the Information on the Practice's websites, social media pages, and through printed advertisements, television, radio announcements, and other promotional publications of the Practice.

2. I understand that the Practice may use the Information for the purposes outlined in this document and that this may benefit the Practice. I further understand that the Practice does not, and will not ever, owe me any royalty or other amount relating to use of the Information.

3. I understand and agree that the Practice will not be liable for any publication or broadcast errors.

4. I understand that entering into this Authorization is voluntary, that I may refuse to sign this Authorization, and that the Practice will not condition the commencement or continuation of treatment on my decision as to whether to provide this Authorization, nor would my refusal to sign this Authorization affect any payment, enrollment or eligibility for benefits from any source. This Authorization shall expire ten (10) years from the date of my signature unless I terminate my grant of rights to the Practice contained herein earlier. Such termination of rights shall be on a prospective basis from and after the day on which my revocation is received by the Privacy Officer noted above.

6.
